

Mark 14:27-31

Jesus predicts Peter's (and all the disciples') denial

The immediate issue was that Peter quit listening

Why do we quit listening?

Pride – to do it ourselves

We think we know enough (impatience)

We don't like what is being said

"Heard it all before"

Jesus said "the sheep will be scattered" not lost forever

Greek – shepherd will lead us into Galilee

Sang a hymn – Psalm 115-118      "cornerstone"
